### Jack

Hello, I'm the new kid on the block;  
My name is Jack but they call me Jack-Jack.  
I am beautiful with a thick shiny coat,  
And my color is ebony black.

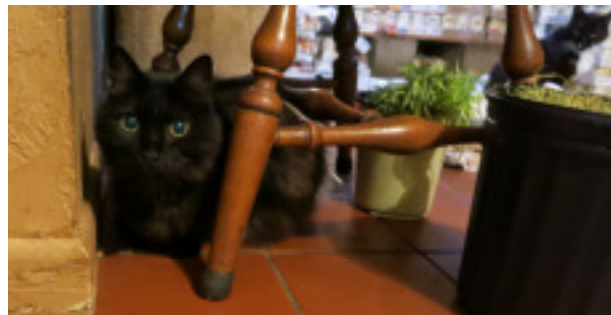

I live in a place called Sassy's room  
With 16 new-found playmates.  
We have lots of space to frolic and romp  
With no cages or pens or gates.

If you come in and hear a really loud noise,  
Don't panic; it's not a fire alarm!  
It's just my loud purring – I can't help myself!  
That's a big part of my special charm.

My human died and no one would take me  
Because I'm blind in both eyes  
Most people want perfection  
(That fact is never a surprise).

My first week at Journey's End was great;  
I learned where everything was.  
I played with the toys and jumped on the bed,  
And had lots of fun "just because"!

If you come to the door to visit,  
I'm the first one there to greet you,  
I love everything and everyone –  
That's why I'm so happy to meet you!

### Otis

Hello, my name is Otis!  
What kind of name is that?  
You've got me stumped;  
It could belong to a squirrel or a rat.

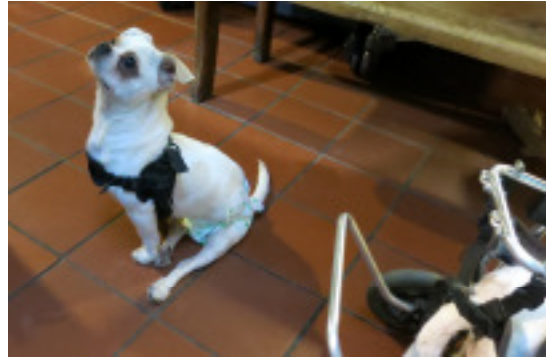

But that's the name they call me.  
It could be worse, or could be better,  
All I know is I'm a little Pug,  
Not a lanky Irish Setter.

*Otis ... continued*

I came from a terrible puppy mill  
With a badly broken back.  
To them, I wasn't worth much –  
But here, I'm top Cracker Jack!

And how I love my new feline friends!  
We're cool, even though some are bigger.  
(But there was a time when I first came,  
If I had a gun, I'd have pulled the trigger!)

“Doggon’ Wheels” sent me a cart;  
Now you can call me “Kyle Busch.”  
I don't heed warnings about high speed,  
So I frequently fall on my tush.

Everyone's thanking their lucky stars  
That I've stopped chasing butterflies.  
Now all I ask is a place on the couch  
And a share of their burgers and fries!

*My Land*

My address is Main Street, America...  
Hey, get out of my tree!  
This is my land  
God gave it to me!

Don't live here or sleep here  
Or walk on my lawn with glee...  
This is my land  
God gave it to me!

Don't build your nest here  
Or fly around free...  
This is my land  
God gave it to me!

Inchworms and caterpillars,  
Get off of my daisy...  
This is my land  
God gave it to me!

Bumblebees, don't buzz here  
Or I'll charge you a fee...  
This is my land  
God gave it to me!

Squirrels, chipmunks, rabbits,  
Go live on the Isle of Capri...  
This is my land  
God gave it to me!

Oaks and maples, I'll chop you down –  
Through your branches, I can't see!  
After all, after all,  
It's as clear as can be:  
This is my land  
God gave it to me!

Hypos is welcomed by Winter.

“The greatness of a nation can be judged by the way its animals are treated.” ~ Mahatma Gandhi

“I said in my heart with regard to the children of man that God is testing them that they may see that they themselves are but beasts. For what happens to the children of man and what happens to the beasts is the same; as one dies, so dies the other. They all have the same breath, and man has no advantage over the beasts, for all is vanity. All go to one place. All are from the dust, and to dust all return. Who knows whether the spirit of man goes upward and the spirit of the beast goes down into the earth?” ~ Ecclesiastes 3:18-21

*In Memory of Jackie Oen*

*Through the years long-time supporters Gottfried and Hildegard have enabled us to enlarge and rebuild the back half of the Cat House. This was done in memory of Gottfried's parents. The original house was built in the 50's. Now in memory of Jackie Oen, we are hopefully going to be able to rebuild and enlarge the front half. This will be a major undertaking. The estimated cost of Phase 1 will be \$15,000. Thanks to everyone who is committing to our much needed venture. Please visit our GoFundMe page at [www.gofundme.com/JackieOenFund](http://www.gofundme.com/JackieOenFund).*
